C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

See Below

B. Significant Amendment or Modification to the Annual Plan:

See Attachment Y

The Housing and Quality Work Responsibility Act of 1998 requires that the Housing Authority notify the Resident Advisory Board, the Board of Commissioners and the U.S. Department of Housing and Urban Development of any “substantial change” or “significant amendment” in the Agency’s Annual Plan and in the Five (5) -Year Plan, including proposed modernization and capital improvement activities that have been preplanned.

For the modernization work items that have been proposed and reviewed at the public meeting held for this purpose and have been approved by the Board of Commissioners of the Housing Authority of the City of Greenville for submission to HUD, the Housing Authority recognizes that: (1) conditions may change from time to time from the original work item and from the original anticipated project, (2) that there may be a need to change certain rent and admission policies, and (3) that there may be need to change PHA programs and activities. Based upon said potential for change, the Housing Authority recognizes that it has a duty and responsibility to the residents, to the Resident Advisory Board, to the Board of Commissioners and to the general public to notify them of any significant amendment in the overall work item plan.

Accordingly, the Housing Authority of the City of Greenville hereby defines “substantial change” or “significant amendment” as a permanent change that will: (1) delete a work category from the original annual and/or five-year budget; (2) include a work category that was not previously included in the original annual and/or five-year budget; (3) add non-emergency work items not included in the current Annual Statement or Five-Year Action Plan; (4) change the use of replacement reserves under the Capital Fund; (5) add new

activities not included in the PHDEP Plan; (6) change any proposed programs with regard to demolition or disposition, designation, homeownership programs or conversion activities; (7) change the rent or admission policies or organization of the waiting list; and (8) change any management policy that is covered by the Agency Plans. An exception to this definition will be made for any of the above listed items that are adopted to reflect changes in HUD regulatory requirements. The mere change of estimated cost or the change of work items between one project to another is not defined as a “substantial change” for the purpose of this policy.

Ms. Brenda M. Moody, the Executive Director, is assigned the responsibility of making the required notification to all interested and affected parties, as well as the responsibility of notifying all interested and affected parties of any “substantial change” or “significant amendment” to the Annual Plan and the Five (5) – Year Plan as well as notification to the public of any material change, that is not defined as a substantial change in the Agency Plans that, in the opinion of the Executive Director should be made known to the public as a matter of appropriate administrative action.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Goals and Objectives: 1) To increase community trust in the Police Department, and through an increased police presence, reduce the incidence of drug related crime and activity while providing a degree of positive role models for community youth. 2) To instill self worth and esteem into community youth by providing mainstreaming opportunities and drug education through activities such as youth sports, Girl Scouting, and tutorial programs provided through a comprehensive program of activities.

Role of Partners: The plan implementation includes referrals to all available social service providers in Butler County. The Butler County Board of Education, City of Greenville Police Department, City Council and Recreation Department also all participate with the plan strategy implementation along with the local Girl Scouts of America Council. Additionally other agencies such as the Butler County Sheriff's Department and Local Drug Task Force provide assistance in investigations.

Monitoring Evaluation: Review and required changes in program policy and implementation are coordinated through quarterly meetings of the Joint Drug Advisory Committee composed of a representative of Authority management, Greenville Police Department representative, City of Greenville representative, and Housing Authority tenant representatives from each community.
